Recently the Education Committee of School Council was held in Ash Van Hattum’s classroom where Ash, the ICT leader in the school, demonstrated some of the new technology that we have purchased. This incorporated an LCD television, iPads, and a visualiser. He showed how the school’s interactive Interwrite technology and the iPads can be used with the TV to further enhance the teaching and learning programs. We are currently working on developing a prototype trolley for the TV’s to be attached to before purchasing more of them for classrooms. The visualisers can be used to project written materials and objects on to the TV or through the projectors on to the class screens without having to be scanned first. The iPads are becoming well used within literacy and numeracy sessions and also within specialist areas and it is obvious that they are a popular tool with the children.

Last Friday morning the P-2 area of the school held a wonderful multicultural parade that linked with their integrated unit of inquiry for the term. As always the children were simply gorgeous and loved showing off their costumes and explaining where they were from.

Enrolments for 2013
If you have a child beginning school for the first time in 2013 we need you to enrol them before the end of term (there are only three weeks left!!). Our School Discovery sessions begin the second week back next term and this program is only open to children whose enrolment forms are in at the office. We would ask that you don’t wait until the first School Discovery session to hand in your forms as the transition team need to know numbers in order to plan for the sessions.

Trivia Night – 11th August at the Box Hill Town Hall

Dana BP and her team have our fabulous and famous Trivia Night booked in for the 11th of August at the Box Hill Town Hall. Your invitation will be on its way home in your children’s school bag between the 18th and 22nd of June.

Start thinking about your tables - 10 people per table maximum.

Start gathering up your gold coins for the games and start reading up on Trivia.

For all our new parents to the school...we will give you a heads up...when the Roberts McCubbin Trivia Night has a theme, don’t get caught out - everybody dresses up in some way - from a small accessory to a full blown costume. You can be creative, interpretative, simplistic or clever – it’s all part of the fun of the night.

OK...ok...ok...you will find out the theme soon...we cannot give out hints with this one – it will just give the whole thing away...don’t worry, you will have time to get your costumes/outfits ready.

Can you help with our Raffle and Games Prizes?

Trivia Night is predominantly social event but we do have a fundraising element with our Raffle and Fundraising Games such as four corners, coin toss, true and false etc. Do you have a business, product/service that you would like to advertise to our school community, or know someone who does? The Roberts McCubbin Trivia Night has approximately over 200 parents and friends attending. We are gathering raffle and games prizes and are asking the school community if you are able to help with a discount or donations of services or products or perhaps sponsor the winning prize for a Fundraising Game.

Please let Dana 0408 424 842 or myself at matularomeo@yahoo.com.au know if you can help with our fundraising raffle and games. Your support is greatly appreciated.

Next Trivia Night Meeting: Monday 18th June at 7.30pm in the school staffroom (next to the office). We would appreciate your involvement and support. It is a lot of fun getting the theme happening and help to get things organised is always appreciated. So, if you can come along Dana and the PFA would love to have you as part of our trivia team of helpers!
Forest Hill Chase School Rewards

Does your family do all their shopping at Forest Hill Chase? If so that’s great if not maybe now is the time to start!

Every time you, your friends, or family shop at Forest Hill Chase Shopping Centre, you simply place your receipts in the Roberts McCubbin boxes located near the Body Shop and Best and Less stores. If you need your receipts, you can take them to the Customer Service Desk at Forest Hill Chase and they will record the “kilometres” and stamp the receipt so that it has been counted so you can keep your receipt.

Each dollar spent in the centre helps our school earn “kilometres”. **The more you spend the closer our school gets to winning a share of the prizes, including weekly encouragement prizes.** Visit [www.runaroundaustralia.com.au](http://www.runaroundaustralia.com.au) for more details.

PLUS there are double kilometre stores; AMF Bowling, Hoyts, Kearney Shoes, Jamaica Blue Coffee, JB HiFi, Escape Travel, Kay and Cole, Nandos, Rebel Sports and OPSM.

Also if you register at the service desk or online as a Forest Hill Chase VIP Member the school earns 200 kilometres.

So tell your friends, family, and neighbours to place their Forest Hill Chase receipts in the Roberts McCubbin boxes at Forest Hill all receipts count and some count for double points! Also, don’t forget there is a box (the small green one) in the school office foyer for your receipts.

The Forest Hill School Rewards program ends on the 22nd June so keep on grabbing those receipts and placing them in the Roberts McCubbin Boxes.

Woolworths Earn and Learn

We can earn some valuable learning resources from Modern Teaching Aids in the areas of mathematics, English resources, science equipment, or arts and craft materials etc thanks to Woolworths Earn and Learn program.

When you shop at Woolworths, you can collect stickers from the checkout operator and stick them on the Woolworths Earn and Learn Sticker Cards. There will be one sticker for every $10 spent (excludes liquor, tobacco, and gift cards). These stickers earn us the points towards purchasing some of the learning resources from MTA.

Place your completed Earn and Learn Sticker Card in the big Woolworths Box in the School Office foyer. There are extra sticker cards available in the office foyer and at Woolworths and don’t forget to ask the for your stickers at the cash register when you pay for your shopping! For more information visit [www.woolworths.com.au/earnandlearn.com.au](http://www.woolworths.com.au/earnandlearn.com.au).

**Earn DOUBLE Stickers!** From Monday this week until Tuesday 19th June, if you buy specially marked products you will be eligible for double stickers on your total shop. As long as you spend more than $10 and include a product from one of the following eight big brands Continental, Dove Beauty, Lipton, Proactive, Magnum, Omo, Rexona, Tresseme and Flora, you will earn twice as many stickers for our school!

**More great news:** the program has been extended to the 12th August 2012.

5/6 CHARITY CHALLENGE

As part of this term’s unit of inquiry ‘Who’s got the Power?’, the children are demonstrating their understanding of ‘people power’ and ‘effective team work’ through this ‘GOING FURTHER’ project. On Friday the 22nd of June, there will be a school wide free dress day and all children are asked to bring a money donation to give to the charity of their choice. The children are currently researching and raising awareness to the school community on the following 5 charities agreed upon by the children.

Imagine you have a life threatening illness. You’re only young but you’re in your last month of life. Then imagine that you get one wish. All you have to do is donate to ‘Make-a-Wish’ on Friday the 22nd of June 2012. All you have to do is put a money donation in a collection tin, it’s that simple!

STUNNING FACTS
Make-a-Wish grants one wish every 41 minutes.
Every child that has been granted a wish has received an average of $6000.

The Alannah and Madeline foundation began when a man shot and killed 35 people including 2 children and their mother at Port Arthur, Tasmania. The father was so upset that he started a foundation named after his 2 children to stop this happening. It is to prevent violence in children’s lives and the devastating effects. The foundation cares for children and hope that violence in children’s lives is stopped. They make sure that the children are in a safe and supportive environment to make the children feel happy.

The RSPCA is a charity that raises money to stop cruelty to animals. I’m sure you have passed the RSPCA in Burwood and without the RSPCA, lots of animals all around Australia would be on the streets. With your help we can help save the lives of animals that would not have a happy life. I hope that you can spare a gold coin to help these animals in need. The RSPCA would be very grateful for your donation. Together we could help save creature’s great and small.

The Salvation Army supports less fortunate people than us. They provide 100,000 meals for the homeless and 2000 beds. They have charity bins all around Australia where you can donate clothes, toys, blankets and much more. The Salvation Army assists unemployed people finding employment. They currently operate the largest international network of collection centres, retail and recycled clothing export services. The Salvation Army helps more than 1 million Australians every year. We would really appreciate your donation to the Salvation Army.

World Vision helps a wide variety of people. World Vision supports people who are not so fortunate and who have trouble surviving each day. Over a billion people around the world live in poverty. World Vision helps out in Asia, the Pacific, Africa, Latin America, The Caribbean, The Middle East and Europe. 20 years ago more than 12 million people died every year from preventable causes. Please help us fundraise for World Vision. Thank you for helping!
“Come on Jack! Get a move on. School starts in ten minutes and you’re not even dressed yet!”

If this scenario sounds familiar then you are not alone. Anecdotal evidence suggests that getting children to school or pre school on time can be one of the most difficult tasks for parents. Missing a few minutes each day may not seem like a big deal but your child may be missing more than you realise if he or she is continually late. Current research shows that mornings for most children are the most productive time of the day with 10.00am the peak period for productivity. When children arrive late and take time to settle as they inevitably do precious minutes are lost. A child who is fifteen minutes late to school each day misses one week of school every year.

How can you get your dawdling kids out the door without yelling yourself hoarse? Here are a few techniques and ideas for you to try to get your punctually-challenged children to school on time:

- Establish a morning routine.
  Make sure your children know what is expected of them in the morning, and also what you will do. Resist nagging but be willing to take them to school even if they haven’t fully prepared for the day.

- Identify and remove distractions such as television.
  If the children are regular watchers before school change the routine and keep the TV off. It should only be turned on when children are completely ready for school.

- Teach some of the basics of time management.
  The average adult underestimates by about 25 per cent the time it takes to do various jobs. Make sure you have realistic time estimates and stop packing so much into the time you allocate. Encourage older children to estimate how long it takes to do activities such as getting ready in the morning. Then they can measure the time taken to do these tasks and compare their estimates with real time.

- Arrive at school ten minutes early.
  Plan to arrive at school early rather than be there on time. This idea works well for perpetual latecomers, whether young or old.

- Model a good routine.
  It’s pointless expecting children to be organised in the morning if you are in a muddle yourself. Set a good example by being as methodical as possible and avoid sleeping in unless your children are so organised that they get you breakfast in bed. And pigs might fly as well!
