FROM THE PRINCIPAL CLASS TEAM

This week our students in Year 3 and Year 5 have been completing the NAPLAN tests. On Tuesday the children completed the English Language Conventions and Writing, Wednesday Reading and Thursday Mathematics. The children have been preparing for NAPLAN by using a number of strategies for both Literacy and Numeracy. For Literacy the children have been focusing on ‘Think Aloud Problem Solving Reading’ which increases the students’ skills in comprehending and answering questions about texts. Thank you to everyone who has contributed to the organisation of the testing and for the 3-6 teachers who have helped prepare the students. When the NAPLAN reports are returned to school they will be distributed to the students.

At assembly on Monday Matoula Romeo our PFA President announced that last week’s Mothers’ Day stall had raised around $850. Matoula thanked all parents who supported the stall and the children who purchased gifts on the day. I would like to congratulate the committee for yet another successful event and for the many contributions made from the school community through their generous donations, time and effort. The children have enjoyed another special shopping experience. Thank you PFA!

Friday is National Walk Safely to School Day. Mr Fearn-Wannan is promoting this health initiative which encourages students to exercise more regularly and educates young children and parents about road safety. To inspire as many children as possible to walk to school or part of the way to school Mr F is running the ‘Golden Shoe ‘competition for the class who has the most students walking to school. Watch out at assembly next week for the “competition for the class who has the most students walking to school”.

Our annual Mothers Days Stall held last week and it was a great success, the children were all so excited to go shopping for Mother’s Day. “What did you buy?”…“look what I got!”…“where did you get that?”…was heard all over the room. The PFA hopes you enjoyed the gifts the children have chosen for you and had a wonderful Mother’s Day. Perhaps you planted a few flowers in the garden or had a nice soak in the bath with a relaxing bath bomb. Make sure you get some good use out of your Mother’s Day Coupons mums – there are some kids out there determined you use them! I know I will never lose my keys in my bag now…and I will always have a pen (or three) handy for my colourful notebooks!!

It is so much fun organising this event for the children. They get to use some learned skills and we, as helpers get to meet some beautiful little people (and some not so little!) who are simply just adorable – some are on a mission and others need some guidance – all part of the fun for us too. The children also looked after their after friends that needed some help with adding up the prices or looking for a particular gift – such great buddies they all have!

With the final tally complete including the extra sales of our colourful potted pansies, the Mother’s Day Stall actually managed to raise $990. These funds will go towards the cost of the Mathletics program.

A huge thanks must go to Acorn Nursery in Surrey Hills that provided us at a monumental discount the most beautiful and colourful pansies. Thanks Mr Van for your contact at Acorn Nursery! The remaining flowers will be planted in our gardens around the school, see if you can spot them!

The PFA invites all women of the Roberts McCubbin community to our Women’s Champagne Night to celebrate women’s lives. You will all have received your invitation by now if not, you will find one at the end of this newsletter and on the School’s website notices page.

Mothers, grandmothers, carers and friends are all welcome to enjoy an ambient evening that includes live entertainment, delicious finger food, pampering opportunities and a raffle. The choice is yours, grab a glass of bubbles, wine, or non-alcoholic drink and enjoy this opportunity to mingle amongst friends. This event is a lovely opportunity to get to know and catch up with other women from our school community – as with all six degrees of separation, somebody will know somebody else they think you should meet!

You may choose to treat yourself to one or more pamper sessions available on the night. The cost for each is $15 for 10 minutes:

- Tarot Card Reading
- Mini Manicure
- Mini Massage
- Mini Make Up Tips/Application/Make over

A raffle for some great prizes will occur on the evening for 50cents each!
Don’t fret ladies…you don’t have to come along without make up to get your mini make up session – Amie will do a quick clean up before applying, otherwise simply get you basics on and she can go from there and don’t forget she can give you professional advice as well! Daniela will look after your nails with a cuticle clean and a nail shaping session including hand cream to soften and then finish off with an OPI nail colour with a quick dry top coat…what colour will you choose? Natalie and her partner will set up their massage chair and take care of those shoulders and target those areas that need some special attention or you may wish to simply indulge because you deserve it (not to worry – clothes on!). And Joyce is back with her Tarot cards for your special private reading.

Such great opportunities for a little more indulgence on the night – you may not want to go home!

Please RSVP and return the payment slip by Friday, 18th May to your teacher or the school office, so that appropriate catering can be made with our finger food and beverages. To keep it simple tickets will not be issued, names of those attending will be registered at the door.

Can you help?

Finger Food: Rachel Fleetwood will be organising the food this year again, so look out for a roster out on the junior deck area. If you wish to help and volunteer some of your culinary delights, we would love to hear from you. If you cannot get to the roster and are wanting to help with the food preparation email Rachel on jfbuild@bigpond.net.au so she can include you on the list of helpers. Rachel will then organise all the foodies once we know how many women will be attending.

Ladies Raffle: The Women’s Champagne Night has a raffle incorporated into the evening to help raise some funds. We are asking our school community if you are able to or if you know someone who may be willing to donate a service or products that women enjoy that we can bundle up into raffle prizes. To donate services or products for the Ladies Raffle please contact Lucy at lucyguthrie@optusnet.com.au or Matoula 0411 089 506.

Women’s Night Planning Meeting: If you would like to join us for this meeting on this Thursday 17th May 8.00pm at Rachel Fleetwood’s house, we would love to see you. We will be discussing the latest details of the Women’s Champagne Night and finalising all that needs to be done. If you would like to join us, please contact Rachel via jfbuild@bigpond.net.au or 0417 752 762 so she can pass her details to you.

As always, your help and support is truly appreciated - thank you!

Trivia Night – 11th August at the Box Hill Town Hall

Dana BP and her team have our fabulous and famous Trivia Night booked in for the 11th of August at the Box Hill Town Hall - the theme for the Trivia Night is a secret and all will be revealed soon – you’ll love it! In the meantime…if you come along to our Trivia Night meeting on Monday night you will get the opportunity to find out the theme before anyone else does! Hint…hint!!

Trivia Night Planning Meeting: If you would like to get involved with the preparation of Trivia Night - please come along for our meeting for 2012 on Monday 21st May at 7.30pm in the school staffroom (next to the office), we would appreciate your involvement and support, it’s lots of fun getting the theme happening with everyone’s ideas welcome.

Forest Hill Chase School Rewards Competition is on!

Does your family do all their shopping at Forest Hill Chase? If so that’s great if not maybe now is the time to start!

Our school has been registered for a chance to share in thousands of dollars worth of prizes and the chance to win one of two $40,000 School Rescue packages with the Run Around Australia Competition. There are Gold Medal Makeover, School and Customer (VIP members) prizes to be won.

Every time you, your friends, or family shop at Forest Hill Chase Shopping Centre, you simply place your receipts in the Roberts McCubbin boxes located near the Body Shop and Best and Less stores. If you need your receipts, you can take them to the Customer Service Desk at Forest Hill Chase and they will record the “kilometres” and stamp the receipt so that it has been counted. Each dollar spent in the centre helps our school earn kilometres. These kilometres are then added to our school’s “journey” around a predetermined track around Australia. The more you spend the closer our school gets to winning a share of the prizes. Visit www.runaroundaustralia.com.au for more details. So tell your friends, family, and neighbours to place their Forest Hill Chase receipts in the Roberts McCubbin boxes! Also, don’t forget there will also be a box on the PFA table in the school office foyer for your receipts.

We can earn some valuable learning resources from Modern Teaching Aids in the areas of mathematics, English resources, science equipment, or arts and craft materials etc thanks to Woolworths Earn and Learn program.
From the 9th of May when you shop at Woolworths, you can collect stickers from the checkout operator and stick them on the Woolworths Earn and Learn Sticker Cards. There will be one sticker for every $10 spent (excludes liquor, tobacco, and gift cards). These stickers earn us the points towards purchasing some of the learning resources from MTA. Place your completed Earn and Learn Sticker Card in the big Woolworths Box in the School Office foyer. You will have received your Earn and Learn Stickers cards last week, so get your stickers ready and start sticking! There are extra sticker cards available in the office foyer and at Woolworths.

Thank you for your support with these programs, the children and our school have a chance to benefit greatly.

PFA Meetings

Roberts McCubbin parents are invited and welcome to attend our monthly meetings. At these meetings, we discuss our recent events and any new business/ideas/thoughts and feedback. If you would like to be a part of these discussions or want to be involved but not sure how, we would love for you to come along!

Our next immediate meetings are Monday 4th June 9.30am in the School Hall after assembly. Tuesday 26th June 8pm at Inga’s (PFA Treasurer) House (not 26th July as previously mentioned in newsletter - sorry!) Monday 6th August 9.30am in the School Hall after assembly

Up Coming PFA Events

Women’s Champagne Night - 25th May
Trivia Night - 11th August
Father's Day Stall & Breakfast - September
Walkathon - September/October
Gourmet Goodies for the Fair - November

Other fundraisers we would like to investigate are: Woolworths Sausage Sizzle and a Pie Drive – stay tuned for more information.

Monday Morning Tea after Assembly

The PFA will be hosting a Biggest Morning Tea on Monday 28th May, as part of our plan to hold Morning Teas once a month. We hope you can come along for cuppa and help us raise some funds for a great cause. All parents/carers, grandparents and toddlers are most welcome.

Your feedback is important to us.

Every year the PFA (not necessarily the same team of people) organises events for social and or fundraising purposes. Often the event is reviewed and we ask ourselves if it was a success. Could it have been done differently? What else can the PFA do for our school community. We would love your feedback, just click on http://www.surveymonkey.com/s/MXJGNY5. If the link to the survey doesn’t work when you click on it, copy and paste the link to your browser.

If you would rather complete a paper survey you will find a copy of this survey on the PFA table in the office foyer - simply place it in our new suggestion box!

Thought for the Week

“I don’t believe you have to be better than everybody else. I believe you have to be better than you ever thought you could be.”

GOLDEN SHOE AWARD UP FOR GRABS

It's that time of year again when the whole school is encouraged to get serious about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn’t realistic for many of us, it’s quite easy to figure out how you can build a walk into your family’s daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Teachers will be tallying how many children in each class walk to/or part way to school this Friday, 18th May, and the most active class at RobertsMcCubbin will be presented with the Golden Shoe Award.

This year, thanks to Google Maps, you can plan your own Walk Safely to School Day journey by going to www.walk.com.au and clicking on “find the best walking route to school”.

SPECIALISTS’ SPOT

Mali meets her new artistic friends!

Thank you to all the amazingly talented children who entered a design in our ‘Mali in My School’ Project. We were pleased to receive an overwhelming number of entries, full of colour and creativity! After many days of contemplation and careful consideration, we are pleased to announce the children who will be responsible for creating a new image for Mali.

*Congratulations to Charlotte and Ella (JCJ), Kiera (JCP), Amena (JCC) Erin C, Jackson G and Juliet G (3/4 Community) Hannah H, Anna B, Hao Yang, Isabella G and Argun (5/6 Community)*

These talented children will have the opportunity to challenge and develop their artistic skills during their lunch time sessions, which occur on a Wednesday, in the Art room. They will work collaboratively in a variety of combinations, on a variety of artistic aspects, with the end result seeing Mali painted in a traditional landscape based design. They will of course add a touch of our Robbie Mac ‘creativity and endeavour’ and a link to the flora and fauna found in our local habitat. We will keep you updated with regular photos and reflections in the newsletter and on the school website, so you’re not left wondering! *We would LOVE any extra assistance from parents/members of our community who have a background, passion or knowledge of ART, during our Wednesday sessions, or at another time if you are unable to join us then! Please let us know as soon as possible if you are able to help,* as we are keen to get started. If you have any questions, please pop in and see us (Cora Brownjohn, Pauline Wilson and Meg Alexander).

We look forward to seeing you!

Cora, Pauline and Meg

UPDATING INFORMATION

If we need to contact parents, or emergency contacts in the event of an illness, or injury, to a child, it is most important that we have current contact details on our records at all times for both parents and the nominated emergency contacts.

If you have moved, changed phone numbers (both mobile and home), changed employment, or if any of your emergency contacts have change their home, work, or mobile numbers, please notify the school office immediately in writing so your child’s computer records can be brought up to date.

Your help in keeping our student records up to date is greatly appreciated.
