

CONSENT FORM FOR PHOTOGRAPHS, VIDEOS, MEDIA

Permission to cover the duration of the student's schooling at:

ROBERTS McCUBBIN PRIMARY SCHOOL

Dear Parents,

Many times throughout your child's enrolment at Roberts McCubbin, photographs will be taken by staff of students participating in class activities, sport and various other events. These photos may then be used in classroom and corridor displays throughout the school and occasionally in school handbooks, advertising leaflets and shopping centre displays.

Some of these photos may also, from time to time, be included in our school newsletter. Our school newsletter is not only produced in paper format for families requiring that method of delivery, but also lodged on the school's website, for families requiring access via the internet to assist the environment.

Students who appear in photos used in any of the above ways will not be identified by name.

On occasions where local, or city newspapers photograph students during special activities, students will only be identified by first name in these publications.

Your consent is required for your child to appear in photos to be displayed in any of the ways described above and this consent will apply for the duration of their schooling at our school.

Therefore a response is required from you. Please complete and sign the form below and submit it to the school with your Enrolment Form.

Margaret Pickburn,
Principal.
