Dear Parents,

With the approval of the Department of Education, Employment and Training, the Council for Christian Education in Schools provides regular weekly half hour sessions for children in each class at Roberts McCubbin Primary School.

The program "Religion in Life" is presented by fully accredited instructors who have completed an approved certificate course.

The program is non-denominational and emphasises the good living codes, values and ethics basic to the Christian religions and to the other major religions. The program is not compulsory, however most children do attend the sessions. Children whose parents request their non-attendance at the Religious Education sessions will be provided an appropriate educational program either in their own classroom, or in another nearby classroom, until the session has finished.

All children participating in the Religious Education program must pay \$7.00 to cover the cost of workbooks for the year. These are provided by the Religious Education teacher but paid for by the school.

Please complete the form below ticking the appropriate box and return on or before FRIDAY, 27th FEBRUARY with the \$7.00 fee to allow materials to be ordered. Please sign and return one consent form for each child. A form MUST be returned to the school.

If you have any further queries about the program, please do not hesitate to contact the school.

Yours sincerely,

Marg Pickburn
